

OFFICIAL SYSTEM OPERATIONS & USER MANUAL

Online Examination Management System (OEMS 2.0)

Comprehensive institutional handbook covering User Authentication, Master Administrator Terminal, Faculty Examination Authoring & Analytics, Student Candidate Registration, AI-Proctoring Protocols, and Grade Generation.

 Master Administration

3 Master Admins, Secret Master Key Gateway, Real-Time Audit Terminal & Faculty Provisioning.

 Faculty Console

Dr. Lt. Mrunali Sawant, MCQ Authoring, Live Scheduling & Proctoring Inspector.

 Student Candidate Suite

10 Seeded Candidates, Dual Login (Roll No / Email), Anti-Cheating Room & Instant Marksheets.

The **ASG-IIT OEMS 2.0** is organized into specialized, role-segregated terminals designed for high-concurrency examination delivery and strict security isolation:

Portal Interface	Direct Route URL	Target Role	Primary Capabilities
Main Landing Page	/	Public / All	University identity, overview, quick navigation, portal selection cards.
Dual Authentication Portal	/login	Student & Faculty	Role-separated Cyan (Student) & Purple (Faculty) tabs with auto-focus.
Student Registration Portal	/register	Student Candidates	Public self-service candidate registration with unique Roll Number validation.
Secret Master Admin Gateway	/admin/login	System Administrators	Master Key protected gateway for Controller of Examinations.
Student Candidate Dashboard	/student/dashboard	Students	Active exam cards, single-attempt lobbies, and completed marksheet transcripts.
Live Proctored Exam Room	/student/exam/:id/take	Students	Synchronized timer, 4-state question palette, anti-cheating window guard.
Official Academic Marksheet	/student/results/:id	Students & Faculty	Instant grade calculation, pass/fail status, and printable transcript view.
Faculty Management Console	/teacher/dashboard	Faculty / Instructors	MCQ authoring, question pack generation, live test scheduling, and class analytics.
Admin Activity Audit Terminal	/admin/dashboard	Master Admins	System-wide real-time user registry, login timestamps, and faculty provisioning.

 **Authorized Master Key Protocol**

Administrator login strictly requires an authorized **Admin Master Key**. The system defaults to ASG-IIT-ADMIN-2026 (backward compatible with GGIT-ADMIN-2026). Standard login attempts through public student/faculty portals are redirected to the dedicated gateway.

Master Key: ASG-IIT-ADMIN-2026

#	Administrator Name	Official Email Address	Password	Master Key	Assigned Division
1	Gagan Moolya (Admin)	admin@oems.com	admin123	ASG-IIT-ADMIN-2026	Controller of Examinations
2	Shreyas Jha (Admin)	shreyas.admin@oems.com	admin123	ASG-IIT-ADMIN-2026	Examination Control Division
3	Akash Gupta (Admin)	akash.admin@oems.com	admin123	ASG-IIT-ADMIN-2026	Examination Control Division

- 1

Navigate to Admin Gateway

Open /admin/login in your browser. Enter registered administrator email and password.

2

Enter Master Key & Unlock

Click **Auto-fill Key** or input ASG-IIT-ADMIN-2026. Submit to unlock the terminal.

3 Audit Registered Users

View all students and faculty with real-time last-login timestamps, roll numbers, and departments.

4 Authorize New Faculty

Click **Authorize Faculty**, enter teacher details, and allocate academic departments (BCA, BSc IT, AI).

Official Faculty Examiner Account

Department of Computer Applications (BCA)

Faculty Name: Dr. Lt. MRUNALI SAWANT

Login Email: sawantmrnali@gmail.com

Password: 123456

Step-by-Step Examiner Workflow:

1 Sign In via Faculty Tab

Go to /login, click the **Faculty / Teacher Portal** tab (purple indicator), enter sawantmrnali@gmail.com and password 123456.

2 Author MCQ Question Bank

Navigate to **Question Bank** tab. Select subject (e.g. BCA301 - DBMS), type question, provide 4 options, designate correct option (0-3), and select difficulty (Easy, Medium, Hard).

3 Auto-Generate Question Packs

Use **Generate Question Pack** to instantly populate 5 curriculum-standard MCQs per core topic with pre-verified answer keys.

4 Schedule & Publish Live Exams

In **Create Exam**, enter title, set duration (e.g. 30 mins), passing marks, select questions from the repository, and publish. The exam instantly appears on all student terminals.

Section 4: Faculty Analytics & Anti-Cheating Proctoring Inspector

PERFORMANCE & INTEGRITY

CLASS PASS RATE

88.5%

Automated aggregate calculation

AVERAGE CLASS SCORE

76.2%

Based on completed attempts

PROCTORING WARNINGS

Real-Time

Tab switch violation logs

Student Submission Inspector: In the **Submissions & Analytics** tab, faculty can click any student submission to inspect question-by-question responses, time taken, overall grade, and exact tab-switch violation counters logged by the AI anti-cheating engine.

Section 5: Student Candidate Directory (10 Official Accounts)

CANDIDATE MASTER DATASET

All 10 candidates are pre-seeded in the ASG-IIT Academic Database. Candidates can log in using either their **University Roll Number** or **Institutional Email** with the universal default password: 123456.

#	STUDENT FULL NAME	UNIVERSITY ROLL NO	EMAIL ADDRESS	PASSWORD	DEPT	YEAR
1	Aarav Sharma	BCA202601	aarav.sharma@gmail.com	123456	BCA	SY
2	Riya Patel	BCA202602	riya.patel@gmail.com	123456	BCA	SY
3	Aditya Mehta	BCA202603	aditya.mehta@gmail.com	123456	BCA	TY
4	Sneha Joshi	BCA202604	sneha.joshi@gmail.com	123456	BCA	FY
5	Rohan Verma	IT202601	rohan.verma@gmail.com	123456	BSc IT	SY
6	Ananya Singh	IT202602	ananya.singh@gmail.com	123456	BSc IT	TY
7	Kunal Shah	AI202601	kunal.shah@gmail.com	123456	AI	FY
8	Priya Desai	AI202602	priya.desai@gmail.com	123456	AI	SY
9	Yash Gupta	BCA202605	yash.gupta@gmail.com	123456	BCA	FY
10	Neha Kulkarni	BCA202606	neha.kulkarni@gmail.com	123456	BCA	TY

Section 6: How to Register New Student Candidates

CANDIDATE ENROLLMENT

1 Open Candidate Registration

Visit /register from the top navigation or click **Register New Account** on the landing page.

2 Select Department & Year

Choose department (**BCA** , **BSc IT** , or **AI**) and academic year (**FY** , **SY** , or **TY**).

3 Input Full Name & Email

Enter candidate legal full name and institutional email address (e.g. student@gmail.com or name@asg-iit.edu).

4 Unique Roll Number & Password

Provide a unique University Roll Number (e.g. BCA202610). Set a password (min 6 chars) and complete enrollment.

Synchronized Countdown Timer

Real-time countdown in MM:SS format with urgent color transitions at 5 minutes. The engine automatically submits all chosen answers at 00:00:00.

4-State Interactive Question Palette

Green: Answered | **Yellow:** Flagged for Review | **Gray:** Unanswered | **Cyan Ring:** Current Question. Instant 1-click question jumping.

AI Window Proctoring & Anti-Cheating Guard (FR-OE-05)

Active window listener detects **tab switching, window blurring, minimizing, or copying text**. Any violation immediately triggers a high-priority warning modal and logs the violation timestamp and count into the candidate's official transcript audit record.

Section 8: Grade Evaluation & Printable Marksheet

TRANSCRIPT OUTPUT

Upon test submission, the OEMS engine computes instant scores, pass/fail status, and percentage according to ASG-IIT academic regulations:

PERCENTAGE RANGE	GRADE LETTER	ACADEMIC CLASSIFICATION	PERFORMANCE STATUS
90% – 100%	O	Outstanding	Pass with Distinction
80% – 89%	A+	Excellent	First Class with Distinction
70% – 79%	A	Very Good	First Class
60% – 69%	B+	Good	Higher Second Class
50% – 59%	B	Above Average	Second Class
40% – 49%	C	Pass Threshold	Pass Class
Below 40%	F	Fail	Re-appear Required

Official Academic Marksheet Printing

Click **Print Official Marksheet** on /student/results/:id to generate a print-ready semester grade report with Controller of Examinations digital verification signatures.
